
Attributed Free License Agreement

This is a legal agreement between you, an individual licensee, and Depositphotos Inc. (“Depositphotos”). It determines the terms and conditions under which you use photos, vector images, videos or other materials (“File” or “Files”) downloaded from the Attributed Free Collection at www.depositphotos.com (“Site”). By downloading any File, you agree to be bound by the terms of this agreement.

This is a single-seat license authorizing one natural person to access the account in order to license and use the Files. This agreement applies only to the limited Attributed Free Collection of Files available at Depositphotos without warranties and representations of any kind. Unless otherwise authorized below, you shall credit Depositphotos and Site each time you use a File under this license. You bear the sole liability and risk for any use of Files obtained under this agreement.

Depositphotos reserves the right to make changes to this agreement at any time and you agree to be bound by such changes. Such changes are legitimate and effective upon publication. If, for whatever reason, you disagree with this agreement and do not accept its terms, you may not enter the Site and use its resources.

1. GENERAL PROVISIONS

1.1 Subject to the terms and conditions herein, Depositphotos grants you a non-exclusive, perpetual, worldwide, non-transferable and non-sublicensable right to use and modify the File an unlimited number of times in whole or in part in the creation of items within the scope of permitted uses, but does not entitle you to the File’s copyright and/or intellectual property rights. All copyright and/or other intellectual property rights to the File are reserved by Depositphotos and/or the contributor of the File.

1.2 This Attributed Free License allows you create Items for Resale or

While working on a project, please take into account the final use of the item before downloading a File, to determine the appropriate license.

- 1.5 **Item for Free Distribution:** an item that will be distributed to a wide audience without raising any commercial revenue (e.g., free web templates, postcards, flyers, etc.).

2. DEFINITION OF THE "MINOR ROLE" AND "MAJOR ROLE" OF THE FILE FOR AN ITEM

- 2.1 The role a File plays in an item is determined by the value the File adds to the item and how much the File influences a customer's decision to choose this particular item among similar items:
